Members Interests

New members are invited to send details of their family surnames and associated places in which they are interested, for publication on the B&AFHS web site (www.bafhs.org.uk) and the next available issue of our Journal; this may result in useful contact with others who have similar interests. Please note the following:-

- Please complete the form in BLOCK CAPITALS. **Family Surnames only** will be published (no first names).
- Indicate the **Country** if not UK, **County** and if possible more specific location(s) e.g. town(s) or village(s).
- For 'Period' indicate **a,b,c,d**, or **e** (a=16th Century, b=17th Century, c=18th Century, d=19th Century, e= 20th Century or later).
- Be sure to complete the '**DO**' / '**DO NOT**' statements and be sure to sign and date the form before posting it.
- Extra notes may be added to the back of this form but they will only be considered for inclusion on the website (i.e. not the journal). However, items may be sent to the **society editor** (address in journal) for publication in the HELP WANTED or HELP OFFERED columns of the journal. You are positively encouraged to send to the Journal Editor articles on subjects of interest to other members - e.g. your problems or successes.
- If you have your own personal family history web site, you are encouraged to request a hyperlink to it on your page
- Once your interest have been published, we may publish only substantial updates in the Journal but you may submit additions, deletions or amendments for your web site entries at any time - either by post using the address below or by email to: **webmaster@bafhs.org.uk**.
- **Remember - it is very important to keep your contact details up-to-date on the web site – do this by email.**

The Society reserves the right to edit Members Interests before publication.
